Royal ISD Surpasses 3,000 Students as Enrollment Continues to Soar!

Royal ISD is thrilled to announce that more than 3,000 students are now enrolled across its six campuses. This milestone highlights the district's continued growth and the community's trust in Royal ISD as the place for families to learn, con-

nect, and thrive. RISD will celebrate the news this week!

"Royal is more than a school district—it's a family," said RISD Superintendent Dr. Megan Pape. "Every new student represents a story, a dream, and a future. Reaching 3,000 students is a testament to the strength of our community and the bright opportunities ahead. We are so excited to reach this historical marker in our school district—the first time we have ever had an enrollment of 3,000 students!"

As Royal ISD celebrates this achievement, the district remains committed to blending strong traditions with innovation, ensuring that every learner has the tools to soar.

Together, Falcons are making history—3000 Strong and Growing!
